Eligibility for Stepping Stones physical activity course – Yoga

To be eligible to enrol on the Yoga course you must be with a GP practice that is registered with NHS Harrow.

What is the reason for this requirement?

From autumn term September 2015, NHS which funds our physical activity course requires that anyone who enrolls has a Harrow registered GP practice.

Not all of the GP practices located in the borough of Harrow are registered for this area. A few GP practices which are on the borders of Harrow, eg on the border with neighbouring boroughs Barnet, Brent, Ealing or Hillingdon may not be a Harrow registered GP practice.

Which course is affected?

This will apply to the Yoga course in this Stepping Stones course brochure.

Assistance

If you are not sure whether your GP practice is eligible because it is located close to the border of a neighbouring borough, please ask Stepping Stones staff as they have the list of eligible GP practices to assist.

Personal Budgets Courses

Since early 2014, the Stepping Stones Project has been running two courses that are run differently from what might be called our “traditional” courses, (such as those on pages 6-10).

These two courses are:

- ❖ Personal Budget Art Group – page 13
- ❖ Personal Budget Writing for Recovery Group – page 14

WHAT IS SPECIAL about this new type of course?

- ❖ **For Personal Budget Holders:** these two courses, as their names indicate, have been set up specifically for people who have a Personal Budget (see below).
- ❖ **Continuous access:** These Stepping Stones personal budget courses run continuously for most of the year.
- ❖ **More choice:** People who buy a place can join at any time and book for 6 months or year period, depending what they choose.
- ❖ **More tailored service:** Each person will be offered an individually tailored agreement for their support on the course.

WHAT IS A PERSONAL BUDGET?

- ❖ Support previously offered by mental health services can be replaced by an amount of money giving you a **Personal Budget**.
- ❖ If you are assessed to be eligible, you can use a personal budget to better meet your social care needs how you think is best.

How do I find out if I can get a PERSONAL BUDGET?

- ❖ Do not delay! Ask your Social Worker or Care Co-ordinator
- ❖ If you do not have a Social Worker or Care Co-ordinator and are interested in booking a place on Stepping Stones personal budget funded courses:

contact: Yohan McDonald, Mind in Harrow. 020 8515 7871,
