'Hidden Minds' project

Uncovering the history of
Shenley Hospital

We are looking for 15 volunteers

How you can get involved

As a Project Volunteer...

In March 2012 we will be recruiting another 15 project volunteers. These second-phase project volunteers will help us to translate the information we have collected into a touring exhibition. We are looking for people with a range of life experiences and from a variety of backgrounds. We welcome the participation of mental health service users.

Or - Sharing your experience...

If you are you an ex-staff member or patient of Shenley Hospital, we would love to hear your story in confidence.

Findings will be brought together in a ground-breaking exhibition which will be delivered to FOUR community venues in 2012.

If you are interested in being involved in this innovative project please contact Josie Hinton, tel: 020 8515 7871, email: j.hinton@mindinharrow.org.uk
